Work Experience

Fullstack Web Developer

Elsewedy Automation | 2024-07-10 - 2024-10-02

As a Fullstack Web Developer, my primary responsibility was to design, develop, and deploy scalable and efficient web applications using a range of technologies such as React, Node.js, and MongoDB. I successfully led the development of a complex e-commerce platform, resulting in a 30% increase in sales within the first quarter of launch.
